

# Academic Support Programs

The Academic Support Program consists of activities whose sole purpose is to support students to be as successful at school as possible. Their ultimate goal is to help students develop the skills necessary to be successful in achieving their academic goals. Our support for students is provided in many different ways. Below are the programs readily available for our students.

Programs	CARES After school Program	Edgenuity	Individualized Reading Improvement Plans (IRIPs)	IXL	Raz-Kids	Small Group Instruction (MTSS)	Summer School Program
<i>Description</i>	<p>Extended learning time for scholars after the school day.</p> <p>Class sizes are small (10:1)</p>	<p>Edgenuity partners with schools and districts to bring a world-class learning experience to classrooms of any size and shape using cutting-edge digital tools and research-backed instructional strategies. Edgenuity's online curriculum and learning solutions are designed to support all educators and students and can be easily customized to meet the unique needs of any school, classroom, and student. See: <a href="https://www.edgenuity.com/">https://www.edgenuity.com/</a></p>	<p>Lead by our Reading Specialist, students receive targeted instruction to overcome reading challenges.</p>	<p>IXL's curriculum is built on 8,500+ skills that are finely scaffolded to help you target specific areas of need. Covering 4 core subjects, IXL is aligned to the Common Core and all state standards, as well as popular textbook series. Wherever a student is in their personal learning journey, IXL has the right content to support them. See: <a href="https://www.ixl.com/">https://www.ixl.com/</a></p>	<p>It is a virtual library where your students can access hundreds of books that are on their guided reading level. It allows them to listen to the book, read the book on their own, and take a comprehension quiz on the book. In the meantime, they earn stars to build a virtual rocket as they read more and more books.
