

# GEORGE WASHINGTON CARVER ACADEMY

Empowering scholars to create a better *tomorrow*.

Dear Parents and Guardians,

Welcome back to a new school year at George Washington Carver Academy! It is with great excitement that we extend our warmest greetings to you and your children as we embark on another year of learning, growth, and discovery.

As we begin this academic journey together, I want to express my gratitude for the trust you place in us as partners in your child's education. Our dedicated team of educators and staff are committed to providing a safe, nurturing, and enriching environment where each student can thrive and develop their full potential.

Throughout the past year, we have faced unique challenges that required flexibility, adaptability, and resilience from our entire school community. I am proud to say that together, we have not only overcome these challenges but also emerged stronger and more united than ever before.

As we move forward, our focus remains steadfast on delivering high-quality education while prioritizing the well-being and individual needs of every student.

We encourage you to stay connected with us throughout the school year. Our school website, [gwcарveracademy.org](http://gwcарveracademy.org) and be sure to follow us on Facebook, these sites will be regularly updated with important information, event schedules, and resources. Should you have any questions or concerns, please do not hesitate to reach out to your child's teacher, the school office.

Thank you for entrusting us with your child's education. Together, we will create a year filled with achievements, milestones, and memorable experiences. Let's embark on this exciting journey hand in hand, supporting our students as they reach for the stars.

Here's to a fantastic school year ahead!

Warm regards,

Sylvia Brown, MA, M.Ed  
Superintendent
